### MY BEST FRIEND

My name is Jack and my best friend's name is Nelson. We're students at West London School. Nelson is very fit, and he's really good at athletics. He trains at least three times a week. He's only thirteen, but he's the fastest runner in the school. A year ago he competed in the London Student Games. He came second in the 200-metre race and he won a silver medal!

Nelson wasn't born in the UK. He came here from Brazil with his family when he was six years old. At first, life in the UK wasn't easy for him. He didn't speak English, so making new friends was difficult. But he learned quickly, and his English is perfect now. We first met when we were both eleven years old. We loved playing football, but he was much better than me!

When I leave school I'm going to study science at university. But Nelson wants to be an athlete, or maybe a footballer. He's going to go to a special sports college next year. He'll definitely be famous one day!
