MY BEST FRIEND

My name is Joe and my best friend's name is Ahmed. We're students at West London School. Ahmed is very fit, and he's really good at athletics. He's only thirteen, but he's the fastest runner in the school. A year ago he competed in the London Student Games. He was second in the 200-metre race and he won a silver medal!

Ahmed wasn't born in the UK. He came here from India with his family when he was five years old. At first, he didn't speak English, so it was difficult for him to make friends. But he learned quickly, and his English is perfect now.

When I leave school I'm going to study science at university. But Ahmed wants to be an athlete, or maybe a footballer. He's going to go to a special sports college next year. I think he'll be famous one day!
