Personality and experiences

3 Choose the correct words.

According to the Chinese Zodiac, the year when a person is born says what their animal sign is. A person's animal sign affects their type of personality. Let's take a look ...

The Rat is clever and popular. This means that they have a lot of **confidence / confident / rewarding** in themselves and what they do.

The Ox is kind and likes to help others. They spend a lot of time thinking about what might (1) **benefit / rewarding / easy-going** a friend or family member. They don't mind accepting extra (2) **responsible / responsibilities / benefits** if it will make other people happy.

The Monkey loves to have fun, so often they aren't very (3) **rewarding / hard-working / beneficial**. They are (4) **easy-going / challenging / challenge** and enjoy themselves most when they are out with friends being sociable.

The Tiger is brave and (5) **adventure / challenge / adventurous** and loves to explore new places. They are very (6) **independence / easy-going / independent** and always want to be the boss.

The Dragon never feels fear! They love (7) **challenges / challenging / hard-working** and get bored if things are too easy.

Click [here](#) for **MORE** signs.

4 Complete the sentences with the correct form of the words in brackets.

I'm a very adventurous (adventure) person who loves trying new things and seeing new places.

- Exercise is _____ (benefit) to both your physical and mental health.
- The 10 kilometre walk to the village was _____ (challenge), but everyone enjoyed it.
- Grant has lots of _____ (confident); he always feels as if he can achieve anything.
