### 4 Choose the correct words.

- Int. In the studio today, we have Maria here to talk to us about 'free schools'. Thanks for coming, Maria. So, tell us about free schools.
- Maria Well, teachers in free schools believe that students (1) **shouldn't / must / have to** sit in a classroom all day reading books. They want students to learn by doing things.
- Int. Interesting. Does this mean free schools (2) **shouldn't / mustn't / don't have to** follow the same rules as regular schools?
- Maria Exactly. They have more control over how they do things. However, there are things they still (3) **have / should / mustn't** to do.
- Int. Interesting! And I believe students at free schools (4) **must to / shouldn't / don't have to** do traditional lessons, is that correct?
- Maria Yes, that's right. But like in all schools, teachers (5) **should / must / have** to have the right qualifications.
- Int. I see. What qualifications do they need?
- Maria All free school teachers (6) **have / shouldn't / must** have a teaching licence. That's the law.
- Int. Interesting! Well, I think we (7) **should / don't have to / must** take a break and then we'll be back with more information.
